ALLBLACK

(DTB on the beat, that's bro)

I'm here, I was patient, I manifested while I waited  
Peter Paul Ruben in the coupe, I'm finna paint it  
Thumb touch the ring, Murder Dub, I'm gang bangin'  
In that Benz with Ms. Kim, I'm mama Raq, I'm Kanan  
MVP, OPL, Walter paid me  
In a meeting with all CEOs and 33rd Masons  
[?] was late, ALLBLACK don't like waitin'  
Fuckin' bitches on a balcony like I'm on baecation  
I ain't tryna see you twerk, I'm tryna see the traps you makin'  
I came to talk business, I did not come to get naked  
Went to school on a blade, then I graduated  
Walked in a room drippin', left it saturated  
She wanna fuck and I pay, I stay home and masturbated  
Pulled up at Fontainebleau with like twenty-some Haitians  
Some shrooms and R like Ed Reed on the Ravens  
Finna crack some shit for fun like I was at the battin' cages  
Makin' plays in the Bronx like I play for the Yankees  
I'm so sick, if I bite you, you gon' die, I got rabies  
Seattle, finna run it up, Eddie Lacy  
Motorcycle park, vroom, tryna fuck somebody auntie  
BLACK the hottest nigga on the west coast, that's on baby's  
Pour some lean, pour some more, I'm goin' lazy, never crazy  
In the trenches with not a care in the world  
Flockin' like a bird off RPs, [?]  
Long-sleeve, sweats on me, dressed like wintertime  
I be outside like bums and stop signs  
Fuck a club, fuck a lounge, I'd rather grind  
Headed to another state, I'm strapped, I gotta drive  
Jef told me three nickels is better than one dime  
Spittin' flames like I just ate some hot fries  
My pockets filled with chicken like I stole from Popeyes  
Niggas goin' broke 'cause they can't kill they vibe  
I just bought a Drac', my opps better go hide  
Drugs beatin' my ass like I'm fightin' Cobra Kai  
Hop on the beat, cut up, I need peroxide  
Back and forth to Houston like we runnin' suicides  
Baby, work your hips, ride the dick, dutty wine  
Put them sticks up in your face like you met a porcupine  
Showin' the fuck out like I was at the Combine  
ALLBLACK Randy Moss, my overall is ninety-nine
