

Pour up juice when I get thirsty
I'm ALLBLACK, I go to Saverz University
I go Mr. Marcus when I pop a Perky
6 a.m., I'm runnin' plays—
I'm saucy, bro
Really saucy

Pour up juice when I get thirsty
I'm ALLBLACK, I go to Saverz University
I go Mr. Marcus when I pop a Perky
6 a.m., I'm runnin' plays, I'm up early
2K9, Roll Tide, Dubb Nick Saban
High as fuck, washed an RP down with Quagen
Sold-out shows in Sea Moss, I feel amazing
Work only, fuck love, my heart not vacant

We don't shop for clothes, we shop for loads
Bad bitch, slim waist, she got white toes
All she wanna do is fuck and take drugs
I'm at the Marriott loaded four thousand miles from home
They ain't wanna put it on 'til I put it on
I was rockin' Prada cleats before the devil put 'em on
Floor seats, sharin' popcorn with the pros
I came a long from sittin' bitches down up in centerfolds
We don't shop for clothes, we shop for loads
Pack landed, amen, now it's time to get 'em gone
We don't do the arguin', that's for the hoes
One eat, we all eat, that's how it go, Saverz 'til I'm gone

Pour up juice when I get thirsty
I'm ALLBLACK, I go to Saverz University
I go Mr. Marcus when I pop a Perky
6 a.m., I'm runnin' plays, I'm up early
2K9, Roll Tide, Dubb Nick Saban
High as fuck, washed an RP down with Quagen
Sold-out shows in Sea Moss, I feel amazing
Work only, fuck love, my heart not vacant

I'm on the team bustin' like, like Mark Ingram and shit
Like '09 Alabama Crimson Tide
Saverz University
DTB, thank you
Tone, thank you
Thank you for everything
Yo
