Allday

Said it never rains on memory lane, I guess that's true
Both hands on the wheel, ten and two till I get to you
Scoop you up like an eagle claw
You ain't nuttin' I seen before

Yeah
You got the black dress, it's backless
You got the assets, front and back sets
Let's see if that stretch, like spandex (Do it stretch?)
I got the keycard, I got access
Sleep on the mattress, A/C blowin' in this moment
It's like that madness song, "It Must Be", nah, it's still unspoken
You sit there smokin', you got the window open
The traffic sounds so loud, you can't hear no ocean
I'll take you to Indo' (Let's go), let's go, no shows for a week
You don't surf, but you turn heads on the beach
Said I'd cut back on drinks, so I guess it's just weed (I guess)
MDMA in the caps (Yeah), we bent at the peak

Said it never rains on memory lane, I guess that's true (I guess that's true)
Both hands on the wheel, ten and two till I get to you (Get to you)
Scoop you up like an eagle claw (Eagle claw, eagle)
Yeah, you ain't nuttin' I seen before

Yeah, hat and rabbit, watch me do magic
If it's what you want, then I got to grant it (I don't got to)
You got the assets that stop the traffic
You're my lil' goth, hot as hell, but you're not satanic
Yes, I dress like Jesse Pinkman, automatic when we're linkin'
Close Venetians for the weekend, wake up in a whole new season
Know you like them guys with BMs, I can't join them – I can beat them
With a stick, just like policemen, nah, I'm just teasin' (But really)
But I'll turn this Honda to an Aventador (Eventually)
Gonna turn this cheap motel to the penthouse floor
So long in the elevator, we both get bored
Just believe like Cher, but I won't share any more

Said it never rains on memory lane, I guess that's true (I guess that's true)
Both hands on the wheel, ten and two till I get to you (Get to you)

Scoop you up like an eagle claw (Eagle claw)
Yeah, you ain't nuttin' I seen before
