

OTT

Allday

Yeah yeah

Two left feet
CBD in the CBD
Girls drive past go 'beep beep beep'
Straight out of Blackwood yeah, not the OC
But I stay up in LA
Boys wanna fight that's the way that they are
Used to go paint on a train in the yard
Sleep all day gatorade vase in the car

Take off in a 03 Lex
Don't talk to cops and we don't confess
Used to come venue mad underdressed
Double tick Nikes like a track star yes

Take off in a 03 Lex
Don't talk to cops and we don't confess
Used to come venue mad underdressed
Double tick Nikes like a track star yes

Yeah I'm OTT
Tour cleaned up yeah I'm OCD
Step back man you don't know me-me
And my girl too fine yeah, O-M-G

Yeah I'm OTT
One more time yeah I'm OCD
Step back man you don't know me-me
And my girl too fine yeah, O-M-G

And I find myself
Thinking it was simple then
Lying to myself
It was never simple then

Back when back when
Thought we were gangsters young mad men
Started out rapping in the wrong accent
Blonde looking like Frank but more like Em
When I couldn't get booked
Used to play FIFA, I was no good
Couple friends coulda played in the Premier League
Or the AFL
But instead it was weed, ice and speed
But Brodie did it
The ozone is my only limit
Hope all my critics drink juul pod liquid
Hope all my friends make jumbo figures
That's to the core
Hope it rubs off like wax on a board
There were two in the bed, cracks in the walls
Rain on my head when it happened to pour

Yeah I'm OTT
Tour cleaned up yeah I'm OCD
Step back man you don't know me-me

And my girl too fine yeah, O-M-G

Yeah I'm OTT
One more time yeah I'm OCD
Step back man you don't know me-me
And my girl too fine yeah, O-M-G

And I find myself
Thinking it was simple then
Lying to myself
It was never simple then

Next year have a brand new Lex
Don't talk to cops and we don't confess
Still come venue mad underdressed
Double tick Nikes like a trackstar yes
And I find myself thinking it was simple then
Yeah I'm OTT
Yeah I'm OTT
Yeah I'm OTT
Yeah I'm OTT
Lying to myself, it was never simple then
Yeah I'm OTT
Yeah I'm OTT
Yeah I'm OTT
Yeah I'm OTT
