When the sun had left and the winter came
And the sky thawed to only bring the rain
I sat in darkness, all brokenhearted
I couldn't find a day I didn't feel alone
I never meant to cry, started losing hope
But somehow baby, you broke through and saved me

You're an angel, tell me you're never leaving
'Cause you're the first thing I know I can believe in

You're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you

You made the brightest days from the darkest nights
You're the riverbank where I was baptized
Cleansed all the demons that were killing my freedom
Let me lay you down, gimme to ya
Get you singing babe, hallelujah
We'll be touching, we'll be touching heaven

You're an angel, tell me you're never leaving
'Cause you're the first thing I know I can believe in

You're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you

I don't need the stars 'cause you shine for me
Like fire in my veins, you're my ecstasy
You're my ecstasy

You're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you
You're holy, holy, holy, holy
I'm high on loving you
High on loving you

You're holy
