

# Remember

Alle Farben

Easy  
Felt like I always knew ya  
So sweet  
I never thought I'd lose ya

Maybe you and I were just two dear friends  
But baby you're the only one I'm missing

Why'd we ever say goodbye  
Push our feelings to the sky  
I, I don't remember  
I, I don't remember  
Wasted all our precious time  
Saying "Well I guess we tried"  
Can you tell me  
Why'd we ever say  
We should let this go 'cause

I don't remember  
I don't remember  
Why'd we ever say goodbye  
Push our feelings to the sky  
I don't remember

Lately  
Wishing that you'd come find me  
It's crazy  
Still got this hope inside

Baby it's so good that we're so different  
'Cause I know you're the only one I'm missing

Why'd we ever say goodbye  
Push our feelings to the sky  
I, I don't remember  
I, I don't remember  
Wasted all our precious time  
Saying "Well I guess we tried"  
Can you tell me  
Why'd we ever say  
We should let this go 'cause

I don't remember  
I don't remember  
Why'd we ever say goodbye  
Push our feelings to the sky  
I don't remember

(I don't remember  
I don't remember  
I don't remember  
I don't remember)

Why'd we ever say goodbye  
Push our feelings to the sky  
I, I don't remember  
I, I don't remember

Wasted all our precious time  
Saying "Well I guess we tried"  
Can you tell me  
Why'd we ever say  
We should let this go 'cause

I don't remember  
I don't remember  
Why'd we ever say goodbye  
Push our feelings to the sky  
I don't remember
