

## Dream About Tomorrow

Allen-Lande

Lost in a haze  
Feel like I'm wasting my life  
Teachings of pain  
They got me for real

Sinner or Saint  
Now I am choosing my fate  
Angels of death will come for me  
He will set my soul free

Songs of tomorrow  
Silence is real  
Songs of the yesterday  
I must be brave

So I dream about tomorrow  
Dream away today  
Cause I'm raining down with sorrow  
Need to find a better way

Halfway but into deep  
Dreaming of change  
They're walking sleep  
So I dream about tomorrow

The silence is cruel  
It's so hard to bear  
Light fades away  
It just isn't fair

Songs of tomorrow  
Silence is real  
Songs of the yesterday  
I must be brave
