Sweaters

Allen Stone

You came here to get your shit (get your shit)
Every little inch of it, I
I won't make a fuss of it (I won't make a fuss of it)
You seem like you made up your
Mind

You can take back all your sweaters
I just want the one with the coffee stain
You can take back all those sweaters
I just need the one for a rainy day
To keep me warm
To keep me warm
To keep me warm
To keep me warm

You don't want (you don't want, you don't want)
You don't want a piece of you (oh)
So you don't have (you don't have, you don't have)
A reason when your body wants me near
Maybe you should take one of mine
I'll let you have my Foo Fighter… gear
Baby, that's my favorite shirt (favorite shirt, favorite shirt)
That's how much you mean to me

Oh, you can take back all your sweaters
I just want the one with the coffee stain
You can take back all those sweaters
I just need the one for a rainy day
To keep me warm
To keep me warm
To keep me warm
To keep me warm

You came here to get your shit (get your shit, get your shit)
Every little inch of it, I
I won't make a fuss of it (I won't make a fuss of it)
You seem like you made up your
Mind

Oh, you can take back all your sweaters
I just want the one with the coffee stain
You can take back all those sweaters
I just need the one for a rainy day
To keep me warm
To keep me warm
To keep me warm
To keep me warm
