

## Forevermore

Alleviate

Every night I lay awake  
Thinking bout the lies and all the things we said  
Trying to find a way to cope  
But it feels like I tied up my own rope

Cause I'm missing you can't shake this feeling it is so true  
Wish you were here by my side but all I have are the memories t  
o hide  
Jaa...

The days go by  
And I still feel  
This emptiness that is all too real  
This emptiness that is all too real

I see your face in every god damn crowd  
But no you're not here you're not around  
I try to fill the void you left behind  
But nothing seems to be enough for me

Forevermore  
Forever... more!

Let me tell you how I feel without you  
Can't shake this feeling this is so true  
I don't know how to live my life when I'm on my own  
Already dead inside and left unknown
