Yeah, this is the time like my birthday
I'm feeling super duper right now, I'm like hahaha
I'm a totally confident fighter, I go pow, pow, pow, pow, pow
Aiming tightly, targeting you, you're so done, done, done
Stealing your heart with no reverse, so cruel, cruel, cruel
I be so ambitious that you can't even doubt (Oh, yeah)
When you're unsure, raise the tension, oh, yeah

That gaze full of curiosity
What can I say? I kind of like it (Already)
Halfway on my side
I know what you want
A mo-o-o-o-ove that steals instincts
A flawless, plausible moo-oo-ood
If you want, come closer
Check out the rumors (It's about that)

You won't even know my intention? Feels like an accident
Hang in there, hang in there, you got no way out
Accept the pull, get swept away to the end (Alright)

That gaze full of curiosity
What can I say? I kind of like it (Already)

A bit more reckless than rumors
If you let your guard down, you'll get hurt
When your judgment becomes clouded, give up
Forget about the thought of resisting early on
Accept it as my consideration
The more you struggle, the deeper I'll dig
In the deepest part of you, I can feel your love

Endlessly talk about that
When you get deeper and deeper
It's about that issue, 'bout that issue, 'bout that issue
