

## Fall

Allie X

It's like every time I open my eyes  
I can see my life passing me by  
Everywhere I look, the beauty of two  
And I think to myself "I wanna be like you"

You wanna play that game, but you don't know how to get in  
You wanna give yourself permission to let someone else in  
To let your guard down, tear down that wall  
Oh-oh, you know you're going to fall (Fall)

When you have fallen one too many times  
You start believing that everything's a crime  
You tell me I'm beautiful but how can I believe  
When I'm trapped inside this fucked up picture of me?

You wanna play that game but you don't know how to get in  
You wanna give yourself permission to let someone else in  
To let your guard down, tear down that wall  
Oh-oh, you know you're going to (Fall)

I know I'm not hurting anyone but me, oh  
But this is the only way I know how to be, oh-oh-oh  
I wanna tell myself "It'll be alright"  
I, I wanna tell myself to start up the fight, ooh...

I wanna play that game but you don't know how to get in  
You wanna give yourself permission to let someone else in  
To let your guard down, tear down that wall  
Oh, you know you're going to fall
