

Is Anybody Out There?

Allie X

Mother
Mother
Mother
Mother

Mother has forgotten me she calls me little Jane
I go for a cheap massage to cover up the pain
I don't want my dog to die she means too much to me
Gotta get ready for the rapture
Stop my blasphemy
Is anybody out there?
Is anybody out there?
Is anybody listening
Cause I'm not hearing anything
I think I might be in this world alone
Is anybody out there?
I don't know

Mother fucker
Mother fucker
Mother fucker
Mother fucker

Santa Ana winds they came they scorned us and we burned
Now the insurance broker's gone morose and taciturn'd
Genius that I wrote this said "so long" took his life
If I stay too long here I don't think that I'll survive

Is anybody out there?
Is anybody out there?
Is anybody listening
Cause I'm not hearing anything
I think I might be in this world alone
Is anybody out there?
I don't know

A million yogi tea bags got recalled for pesticide
If I stay too long here I don't think that I'll survive
Is anybody out there?
Is anybody out there?
Is anybody listening?

Is anybody out there?
Oh no
We're alone
We're alone
I don't know
