

## Not Broken

Allie X

Count down the bell is ringing  
Last round the crown is screaming  
I'm down but I'm not broken  
Face down the punch is stinging  
Breathless but I'm still singing  
I'm down but I'm not broken  
Im on the ropes my fist in the air  
You knocked me out my heart hit the ground  
I'm down but I'm not broken
