Private Life

Allie X

Ah-ah, ah-ah
Ah-ah, ah-ah
Ah-ah, ah-ah (la-la-la-la-la-la)
Ah-ah, ah-ah (la-la-la-la-la)

Baby, tell me what to wire
Want you hearin' every word I'm usin'
Silhouette lines in the shower
Till you never miss the way I'm movin'
There's no holes around the tower
No one's stopping you from climbing up
This must be my witching hour
So let's go, cause it don't move slow

All I know is when you look like that
When you look like that, it drives me wild
All I know is when you talk like that
When you talk like that, I don't get tired

Your proximity to me has got me up and wired
Thought I was high, but you just took me higher
Woah

Oh, I usually wanna keep what's mine in my private life
But I could let your eyes take a peek inside of my private life
Oh yeah
Won't we shut this down, so we can mess around
Around, around, around, around, around, around
Maybe you and I, we could spend tonight in my private life

Dum-dum-da-di-da-di-da
Dum-dum-da-dum-dum
Dum-dum-da-di-da-di-da
Dum-da-da-da-di-da
Dum-dum-da-di-da-di-da
Dum-dum-da-dum-dum
Dum-dum-da-di-da-di-da
Dum-da-da-da-di-da

Take all degrees of separation
Sit you down until it's only one
I just had a revelation
You can do what the hell you want

All I know is when you look like that
When you look like that, it drives me wild
All I know is when you talk like that
When you talk like that, I don't get tired

Your proximity to me has got me up and wired
Thought I was high, but you just took me higher
Woah

Oh, I usually wanna keep what's mine in my private life
But I could let your eyes take a peek inside of my private life
Oh yeah
Won't we shut this down, so we can mess around

Around, around, around, around, around, around
Maybe you and I, we could spend tonight in my private life

Dum-dum-da-di-da-di-da
Dum-dum-da-dum-dum
Dum-dum-da-di-da-di-da
Dum-da-da-da-di-da
Dum-dum-da-di-da-di-da
Dum-dum-da-dum-dum
Dum-dum-da-di-da-di-da
Dum-da-da-da-di-da

Dance 'til I lose my mind in my private life
Dance 'til I lose my mind in my private life
(Keep it going, keep it going)
Dance 'til I lose my mind in my private life
(Keep it going, keep it going)
Dance 'til I lose my mind in my private life
(Keep it going, keep it going)

Ah-ah
Ah-ah
