

Set Yourself On Fire

Allie X

Do you wanna rock?
Do you wanna rock?
Closing in the spa
Closing in the shop
Groovy ankle socks
Day cold holder tops
Do you wanna rock?
Disco, disco drops

Body citracal clean
[?] and mean
Pony boy is hot but whose that little fuck
Wet ass pussy drip
Don't stop, never quit
Do you wanna rock?
Do you wanna rock?

Take me down to funky town
Allie X will break it down

Set yourself on fire
Turn the heat up
'Til the city turns off the lights
(Ooooh, ooh)
Set yourself on fire
Burn the house down tonight
Set yourself on fire
Turn the heat up
'Til the city turns off the lights
(Ooooh, ooh)
Set yourself on fire
Burn the house down tonight

Chilling in the spa
Like a little fly (a bit)
Hot under the car (hoe)
Can't seduce a [?]
Grab him by the throat
I rip his rain trench coat (hoe)
Came and got his briefcase [?]
As for chips, say no more (say no more)

Set yourself on fire
Turn the heat up
'Til the city turns off the lights
(Ooooh, ooh)
Set yourself on fire
Burn the house down tonight
Set yourself on fire
Turn the heat up
'Til the city turns off the lights
(Ooooh, ooh)
Set yourself on fire
Burn the house down tonight

Houston, we have a problem
The eagle has landed

25 on the clock
The eagle has landed
25 on the clock
C Q 40, E Q
Ooh, ooh, ooh, ooh, ooh, oh, oh
Ooh, ooh, ooh, ooh, ooh, oh, oh

Set yourself on fire
Turn the heat up
'Til the city turns off the lights
(Ooooh, ooh)
Set yourself on fire
Burn the house down tonight
Set yourself on fire
Turn the heat up
'Til the city turns off the lights
(Ooooh, ooh)
Set yourself on fire
Burn the house down tonight
