

Got It Made

Allison Iraheta

Above ground pool, four feet of water
A Mai Tai drink, a son and daughter
I can see everything in front of me
Everybody's privacy is now my curiosity
You don't know me
No, you don't know me

You think you got it made
You think you got it made
You think you got it made
(But I see right through)
Got it made
(But I know you)
Got it made
(I'm coming after you)
Coming after you

A brand new selfie while you sunbathe
OMG, I see your street name
I can steal everything in front of me
Destroy everything in front of me
Everyone belongs to me
And you don't know me
No, you don't know me

You think you got it made
You think you got it made
You think you got it made
(But I see right through)
Got it made
(But I know you)
Got it made
(I'm coming after you)
I'm coming after you
(Coming after you)

You think you got it made
You think you got it made
You think you got it made
You think you got it made

You think you got it made
Got it made
Got it made
Coming after you

Give it all to me, give it all to me
Give it all to me, give it all to me

Give it all to me, give it all to me, give it all to me
Give it all to me, give it all to me, give it all to me
Give it all to me, give it all to me, give it all to me
Give it all to me, give it all to me, give it all to me
(Esta loca)

Give it all to me, give it all to me, give it all to me
(Give it all to me, give it all to me)

Give it all to me, give it all to me, give it all to me
Give it all to me, give it all to me, give it all to me
(Give it all to me, give it all to me)
Give it all to me, give it all to me, give it all to me
Give it all to me, give it all to me, give it all to me
(Give it all to me, give it all to me)
Give it all to me, give it all to me, give it all to me
