

Back of My Mind

Allison Moorer

There's a place where you live
Put you there so I could give
Myself a little space
But you won't ever be erased
From the back of my mind
Back of my mind
Back of my mind
Back of my mind

I moved on best I could
Father there thought I would
Just a step at a time
When I stop it's always fine
For you in the back of my mind
Back of my mind
Back of my mind
Back of my mind
Back of my mind

Time goes by in the blink of an eye
Healing broken things
Mending broken wings
Day by day the heartache starts to fade
It used to be every thought every dream
Every memory every in between
Now you're gone
Put you're back where you belong

There's a place where you live
Put you there so I could give
Myself a little space
But you won't ever be erased
From the back of my mind
Back of my mind
Back of my mind
Back of my mind
Back of my mind
