

I'm Doing Fine

Allison Moorer

I scrub the varnish off the hardwood floor
That cigarette burn by the bedroom
Well it ain't there anymore
Tried to call my mama I forgot she was gone
Guess I let the last thing you said run through my head too long

I just wanna let you know that I'm doing fine
I just wanna let you know that I'm doing fine

Well the neighbors came a-
running said they heard somebody scream
I just looked them in the eye and told them I got any idea what
you mean
So I turn the music up loud enough it could drown out anything
It might shake through the windows and the walls
I'll believe what I want to believe

I just wanna let you know that I'm doing fine
I just wanna let you know that I'm doing fine
Everything's ok everything's alright
I just wanna let you know that I'm doing fine
Doing fine, doing fine, I'm doing fine, I'm doing fine fine, fine

I finally change the sheets on time sleeping on the floor
If you want your old guitar it's sitting out on the porch

I just wanna let you know that I'm doing fine
I just wanna let you know that I'm doing fine
Everything's ok everything's alright
I just wanna let you know that I'm doing fine
