

## Should I Be Concerned

Allison Moorer

Should I be concerned  
That my thoughts are dark that I fall apart over nothing  
And each sunset brings regret that another day will soon be daw  
ning

Should I be concerned  
Should I be alarmed  
That I'd rather stay in bed all day than get up  
And face the fact you're not coming back  
and nothing will ever be the same  
Should I be alarmed

Maybe I should call someone  
Maybe I don't need to be alone  
Maybe I just need someone  
To listen  
To my story

Should I be disturbed  
That my every move is outside the groove what am I thinking  
I might as well let it all go to hell what difference would it  
make  
Should I be disturbed
