

Chasing A Feeling

Allison Ponthier

I'm into alien conspiracies and trashy TV shows
I bet I could escape a cult on pure willpower alone
I imagine my own funeral and how people would react

I'm just chasing a feeling
And it's chasing me right back

Horse girl, emo stage, Zooey Deschanel
A theater kid putting on a show all by herself
I've been through almost every phase but they never seem to last

I'm just chasing a feeling
And it's chasing me right back

(Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh)
I'm always on the move
(Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh)
One thread from coming loose
(Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh)
It's nothing new

A tinder match, a great review, a viral video
Screaming insults that I mean, kissing someone I don't know
Some climbing numbers on a screen, a day off to relax

I'm just chasing a feeling
And it's chasing me right back

(Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh)
I'm always on the move
(Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh)
One thread from coming loose
(Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh)
Catch-22

Kill my devices, no more vices, just me and my thoughts
Memories and jealousy and friendships that I've lost
I pick up fears like souvenirs and step in every trap

And now I'm chasing a feeling
And it's chasing me right back

I'm just chasing a feeling
And it's chasing me right back
