

# All Without Within

Allison Russell

Ooo  
Put it in  
Feel the stinger in my skin  
Tell every bumblebee  
I'm back inside my body

Ooo  
What's happenin'?  
Now I feel what's happenin'  
Every cut every kiss  
All without within

Freeze! I can stop the time  
If the love is good and right  
First the blush then a rush  
Seasons all are mine

Ooo  
What's happenin'?  
Now I feel what's happenin'  
Every cut every kiss  
All without within

Paper cut, feather kiss  
Kerosene licorice  
Low moan and the bliss  
Gimme them  
All those gifts  
Gimme them  
All those gifts  
Gimme them  
All those gifts

I love the smell of rain on dead leaves  
Your arms 'round me when I'm angry  
You soothe every savage Beast  
Lover lay your weight down on me

Spin my straw up into gold  
Weave my water into wine  
Make my wine into hot blood  
Turn my bones back into brine

Tell every moth and moon and mover  
Every hornet, fly and flower  
In the afternoon light dappled  
We are sunlight, we are shadows

You're my love that loves to love  
I'm the one you chose you chose  
You're my song of Song of Songs  
I am yours, I'm yours, I'm yours  
You're my love that loves to love  
I'm the one you chose you chose  
You're my song of Song of Songs  
I am yours, I'm yours, I'm yours  
I am yours, I'm yours, I'm yours

Freeze! I can stop the time  
If the love is good and right  
First the blush then a rush  
Seasons all are mine

Ooo  
What's happenin'?  
Now I feel what's happenin'  
Every cut, every kiss  
All without within
