

Moon Lake Village

Allister

my girlfriend's moving in with a guy that i never met
he's 26 years old and she says that they're just friends
but i'm sick of playing games with her every time i see her
i'm thinking that this is just ridiculous
because she's moving in tomorrow
my girlfriend's moving in with a guy that i never met
he's 26 years old and she says that they're just friends
but i'm sick of playing games with her every time i see her
i'm thinking that this is just ridiculous
because she's moving in tomorrow
she dosen't see
that she's losing me
because she's moving in tomorrow
