None Of My Friends Are Punks

Allister

nocone We got it we got it Ok Fuck you None of my friends are punks None of my friends are punks I don't know You're tough dude That was just funny None of my friends are punks None of my friends are punks they've got pussy corporate jobs So ill sit here like a fuck Hey dude John's still playing (im so sorry) None of my friends are punks None of my friends are punks They could pull some long shifts whoooo FUCK Ready? N--None of my friends are punks None of my friends are punks They all work at corporate jobs While I sit here like a slob Yeah none of my friends are punks All of my friends are drunks All of my friends are drunks We go drinking every night Looking to get in a fight Cause all of my friends are drunks Yeah thank you Goodnight Guess that's a wrap I kept laughing because I was thinking it did sound like you were saying "none of my friends are drugs" But then it said "all my friends are drunks" that's not funny at all I don't understand None of my friends are punks None of my friends are punks They all work at corporate jobs While I sit here like a slob Yeah none of my friends are punks None of my friends are punks None of my friends are punks ?they got ??? upper class While I sit here on my ass Yeah none of my friends are punks All of my friends are drunks All of my friends are drunks We go drinking every night Looking to get in a fight Cause all of my friends are drunks

All of my friends are drunks
All of my friends are drunks
???
While I sing these shitty songs
cause all of my friends are drunks
