I'm sitting on a toilet
I had to take a doody
When the doody hit a water
The water hit my booty
I'm sitting on a toilet
I had to take a doody
When the doody hit a water
The water hit my booty
I'm sitting on a toilet
I had to take a doody
When the doody hit a water
The water hit my booty
I'm sitting on a toilet
I had to take a doody
When the doody hit a water
The water hit my booty
