

# Say Something

Allman Brown

Everyone knows all about my direction  
And in my heart somewhere I wanna go there  
Still I don't go there

Everybody says "say something"  
Then say something, say something  
Then say something, say something, then say something

I don't wanna get caught up in the rhythm of it  
But I can't help myself, I can't help myself, no, no  
Caught up in the middle of it  
I can't help myself, I can't help myself, no, no, no  
Caught up in the rhythm of it

Maybe I'm looking something I can't have, something I can't have  
Maybe I'm looking something I can't have

Everyone knows all about my transgressions  
But in my heart somewhere, there's melody and harmony  
For you and me, tonight

I hear them call my name  
Everybody says "say something"  
Then say something, say something  
Then say something, say something then say something

I don't want to get caught up in the rhythm of it  
But I can't get help myself, I can't help myself, no, no, no  
Caught up in the middle of it  
But I can't help myself, I can't help myself, no, no, no  
Caught up in the rhythm of it

Maybe I'm looking something I can't have, something I can't have  
Maybe I'm looking something I can't have  
Maybe I'm looking something I can't have, something I can't have  
Maybe I'm looking something I can't have

Sometimes the greatest the way to  
Say something is to say nothing at all  
Sometimes the greatest the way to  
Say something is to say nothing at all  
Sometimes the greatest the way to  
Say something is to say nothing at all  
Sometimes the greatest the way to  
Say something is to say nothing

But I can't help myself, I can't help myself, no, no, no  
Caught up in the rhythm of it  
But I can't help myself, I can't help myself, no, no, no  
Caught up in the middle of it

Maybe I'm looking something I can't have  
Something I can't have, something I can't have  
Maybe I'm looking something I can't have, something I can't have  
Maybe I'm looking something I can't have

Sometimes the greatest the way to

Say something is to say nothing at all

Sometimes the greatest the way to say something is to say nothing
