

Sunlight & Cinnamon

Allman Brown

(Ha ha ha ha ha-haa ha-haa)
(Ha ha ha ha haa haa)

Sunlight and cinnamon
Losing yourself in the garden
Wearing that summer dress
Under blue blue sky

Brushing the hair from your eye
Earth raining down from your fingers
Somehow you slow down time
Under blue blue sky
Blue blue sky

My sanctuary
My home
I'm caught up in your magic
My own oasis
That heavenly bliss
I'm caught up in your magic

Ohhh (ha ha ha ha haa ha-haa, ha ha haa-aah)
Your magic, your magic
Ohhh (ha ha ha ha haa ha-haa, ha ha haa-aah)
Your magic, your magic

Shade from the apple tree
Barefoot standing in blossom
You turn around and face me
Lay your eyes on mine
Eyes on mine

Breeze makes the flowers bow (haa ha-ha-ah)
Some kind of natural affection (haa ha-ha-ah)
Don't ask too many questions (haa ha-ha-ah)
Like how or why
Just let it lie

My sanctuary (ha ha ha ha)
My home
I'm caught up in your magic (ha ha ha ha)
My own oasis (ha)
That heavenly bliss
I'm caught up in your magic (ha ha)

Ohhh (ha ha ha ha, ooh, ooh, ha ha haa-aah)
Your magic, your magic
Ohhh (ha ha ha ha, ooh, ooh, ha ha haa-aah)
Your magic, your magic
(Ha ha haa-aah)
(Ha ha ha ha)
(Ha ha ha)
