

Take Me Back

Allman Brown

Take me back to the time
I was in your arms
Looking in your eyes
Take me back to the moment
I had the chance to tell you all I felt

It's too late now
You're long gone
I'm dying every minute of the day
It's too late now
The past is past
I'm just a man with a broken heart

Heart
Heart

Take me back to the days
You carried me pressed tight to your chest
Take me back to before
All this hurt tore us apart

It's too late now
You're long gone
I'm dying every minute of the day
It's too late now
The past has passed
I'm just a man with a broken heart

Heart
It breaks my heart

It breaks my heart
The shadow you cast is so long
Heart
You left me to walk alone
It breaks my heart
Your blood still runs through my heart

Take me back
To the time
I was in your arms
Looking in your eyes
