

Hook Up

ALLMO\$T

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up
Hook up, hook up

Maganda ka check, yung hubog malupit
Pasado ka naman kaso yung puso malamig
Wala pang oras sa pag-ibig na 'yan
Isipin mo lang wala tayong nararamdaman
'Di ba mas ok
Walang problema kahit magkasama all day
Katabi ka sa kama habang nagfo-foreplay
Yeah go slay, gawin mo lang yung gusto mo with your own way
Basta malinaw sa 'ting dalawa na
Abutin man tayo ng umaga
Puso 'di na gagana
Alam mo na kung bakit

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up

Gusto mo lalo when I come thru
Pagandahin pa natin ang mood
Mas maigi 'pag damit in-undo
Susunod agad hawakan ang 'yong waistline
'Pag nag-play nice
'Matik 'yan na aabutin 'gang mag-daylight
Bet you livin' on a fantasy
'Di pa ba sapat ang lagi na magkatabi
I know you want that, tuwing kino-contact
Pero kung pag-ibig hanap mo, pwede don't bother me
Saka mo na ako tawagan
Kapag naisipan mo na maranasan
Na wala ang pagmamahalan
Kaya tandaan mo na

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up

Hook up, hook up, hook up

I see sex in your eyes
You'll be moaning 'til the sunrise
Your pussy so wet when we fuckin' fuckin'
Make me wanna eat it when you're suckin' suckin'
Gusto mo ng palo kasi makulit ka
Ayaw mo tumigil hanggang labasan ka
Nadadala ako kapag nanginginig ka
Na parang gusto ko agad matalisan ka
I just wanna grab that ass
Hanggang dito lang 'to pero hindi pa 'to last, yeah
I just wanna bite that ass
Hanggang dito lang 'to kasi

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up

'Di kita pwedeng ka-boo'd up
Kahit magdamag kausap
I want no love baby, just hook up
Hook up, hook up, hook up
