

LOW

ALLMO\$T

Shawty got low
Down my ripped jeans
And she wanna let it blow
She my remedy
Yeah she know what I need
While she doin' it, I give her more
Shawty, shawty, shawty got
Low, low, low, low, low
Shawty, shawty
Low, low, low, low, low
Shawty, shawty
Low, low, low, low, low
While she doin' it, I give her more

She came to me straight from the parlour
(I know she bad)
I said "wassup", she said "nothin' much"
I just wanna see you
Eh kung busy ka 'di wag na
Sabi ko "ano ka ba"
Laging may oras basta ikaw
(Yah yah)
Namula pisngi niya
Katawan niya daw ay umiinit
Sarap ko daw kulitin
Humalik ng 'di pinipilit
Pababa sa 'king leeg
Nag-iwan pa ng chikinini
Hindi ko alam pero gusto ko lahat ng 'to baby
She always hit on my line
Even tho' she ain't mine
We get faded then we fuck, fuck
We don't want no love, love
Shawty let's do it again
I just wanna see you go low

(Oohh)
Shawty got low
Down my ripped jeans
And she wanna let it blow
She my remedy
Yeah she know what I need
While she doin' it, I give her more
Shawty, shawty, shawty got
Low, low, low, low, low

She been slidin' on my DM
Mapa-araw o gabi
Shawty wanna hit it right
'Di na siya mapakali
And I be like
"Halika, dito ka

'Di kita uurungan"
She wanna bite
Sabi niya, "pwede ba
Pwede bang masubukan na kita"
Ang dami-dami na kasing gusto nilang makaisa
Pero ikaw iba pa din 'di ka lang puro salita
Pinatikim niya yung labi
Sa akin gusto na lagi
Buhok niya'y kanyang tinali sabay baba
Alam ko kung sa'n na papunta 'to
Aabot na tayo d'yan sa kama mo
At sa 'kin inabot yung camera
Kuhanan daw namin nang malala

Shawty got low
Down my ripped jeans
And she wanna let it blow
