Head Over Heels

Yeah, The Firm Track Masters, Escobar, Allure Keep it raw

Hey yo, The Bridge, keep rockin' We comin' through, bottles poppin' Allure, when your album droppin' The place is packed

Many faces, there's some I know And some know me from buying cases Cash stacks, shorties peepin' Is she Puerto Rican or half black

Puff, puff give, I need to live Please pass that so I can zone Maybe shoot a jewel in baby girl dome It's a crazy world, lemme drive you home, let's go

By the way, the name's Esco The platinum range make your man know We wet those, if he front I got the tech close To you much respect goes for going through Had to put it on you, Allure you You gotta leave, I'll call you, it's been real

Boy, I can't understand it See I never really felt like I do When I'm around you, baby And I just can't explain it But I'm feeling so high And I just can't deny it's on you

Tell me you want my love Baby, please don't deny What you're feelin' inside Say you've been thinkin' of Holdin' me, touchin' me, feelin' my every need

Head over heels, it seems so real I feel like I'm falling in love I'm lost inside of my desire Oh baby, can't you see I'm falling for ya head over heels

Baby, baby I'm longin' Just to have you to myself I don't want nobody else, no Baby, my body's calling Won't you come, get my love Because I really need you so much

Tell me you want my love Baby, please don't deny What you're feelin' inside Say you've been thinkin' of Holdin' me, touchin' me, feelin' my every need Allure

So much in common, I know you like the way I act You been around real cats, all your life, since way back You still got it 'cuz you was turned out once Guess you learned, ain't no future with them burnt out stunts

Left the hood to get your own thing, we're home team Pushing through, watch ya chrome gleam Yeah aight, you probably heard that my pipe gained tight Rocking V V S stones

Powder blue whips with egg headlights Center weed gettin' all in your weave, I put out the trees And crack the moon roof only for you to breathe You get a extra set of keys, I tell the world while I'm out on tour Keep your hands off my girl's Allure

Baby, can't you see How you make me feel Oh baby, can't you see I'm falling for you head over heels

It seems so real I feel like I'm falling in love I'm lost inside of my desire Oh baby, can't you see I'm falling for you head over heels

It seems so real I feel like I'm falling in love I'm lost inside of my desire Oh baby, can't you see I'm falling for you head over heels

It seems so real I feel like I'm falling in love I'm lost inside of my desire Oh baby, can't you see I'm falling for you head over heels
