Cake

Ally Brooke

Nothin' but distortion in my head
My hearing is fading over what you said
Can't believe, won't believe cause your words are dead
When you breathe, when you speak, I'm so over it

Goes into one ear and out of the other
What you say and do are two different things
I don't wanna hear it, can't even believe it's true
You want your cake and eat it too

(You want your cake and eat it too)
(Oh woah oh oh woah)
Can't have your cake and eat it too
(Can't your cake and eat it too)
(Oh woah oh oh woah)
Can't have your cake and eat it too

You can't share my world with me anymore
It's time for you to go knock on someone else's door
Find a store, go next door, I don't even care
Ride a bike, take a hike, I don't want you here

Goes into one ear and out of the other
What you say and do are two different things
I don't wanna hear it, can't even believe it's true
You want your cake and eat it too

(You want your cake and eat it too)
Do not go, please don't go, oh oh oh
(Oh woah oh oh woah)
Can't have your cake and eat it too
(Can't your cake and eat it too)
Do not go, please don't go, oh oh oh
(Oh woah oh oh woah)
Can't have your cake and eat it too

I think you get it
It's time to quit it
I made my decision
I'm done with you
No more cake for you
What's a girl to do?
Find a new love!

Goes into one ear and out of the other
What you say and do are two different things
I don't wanna hear it, can't even believe it's true
You want your cake and eat it too

(You want your cake and eat it too)
(Oh woah oh oh woah)
Can't have your cake and eat it too
(Can't your cake and eat it too)
(Oh woah oh oh woah)
Can't have your cake and eat it too
