

# Gatekeeper

Ally Brooke

I'm the president  
I'm the boss  
I'm the queen  
I'm the princess  
I'm the lord  
I'm the lady of the manner  
Better show me all your manners  
Want my heart to unlock, yeah

If you want my love  
You better work for it  
If you want my love  
Better in my lips

I'm a gatekeeper  
I know a day sleeper  
Every get arranged  
You will never wanna leave, yeah  
Own my fever  
I make you a believer  
Take you so high  
Baby, I'm a gatekeeper

(I'm a gatekeeper)  
La-la-la-la  
La-la-la-la  
(I'm a gatekeeper)  
La-la-la-la  
If you want my love  
You better work for it  
If you want my love  
Better in my lips

I'm the officer  
Wiser blow  
And my favourite title  
Let's see it, ooh  
Say, I wanna touch my body  
But I'm not just anybody  
I'm a bad chick  
Runnin' show

I'm a gatekeeper  
I know a day sleeper  
Every get arranged  
You will never wanna leave, yeah  
Own my fever  
I make you a believer  
Take you so high  
Baby, I'm a gatekeeper

(I'm a gatekeeper)  
La-la-la-la  
La-la-la-la  
(I'm a gatekeeper)  
La-la-la-la  
If you want my love

You better work for it  
If you want my love  
Better in my lips

Got you addicted?  
I know that you like it  
Can't get enough  
No, you need it  
Can't hide it  
If I let you open my doors  
I've been sided  
I know that you like it  
I know that you like it  
You like it, you like

(I'm a gatekeeper)  
La-la-la-la  
La-la-la-la  
(I'm a gatekeeper)  
La-la-la-la  
If you want my love  
You better work for it  
If you want my love  
Better in my lips

I'm a gatekeeper  
I know a day sleeper  
Every get arranged  
You will never wanna leave, yeah  
Own my fever  
I make you a believer  
Take you so high  
Baby, I'm a gatekeeper  
I'm a gatekeeper  
I know a day sleeper  
Every get arranged  
You will never wanna leave, yeah  
Own my fever  
I make you a believer  
Take you so high  
Baby, I'm a gatekeeper  
I'm a gatekeeper
