

# Bad News Baby

ALMA

Oh, won't you take my advice?  
No, you can't put me on ice  
Do what you want but load the gun  
I know you'll come again (I know you'll come again)  
To get my love, my heroin (My love, my heroin)  
Do what you do and I'll pray for you

I can't help, I can't stop  
You should be careful  
Innocent and your heart is pure unfaithful  
Curious, sweetest lips  
You try to change me like it's so easy

I'm a bad news baby  
You can hear me on the radio  
Bad news baby  
You gon' see me everywhere you go  
I'm a bad news baby, ohh  
I'm a bad news baby (Bad news baby)  
I'm a bad news baby  
You can hear me on the radio  
Bad news baby  
You gon' see me everywhere you go  
I'm a bad news baby, ohh  
I'm a bad news baby (Bad for you)

I said that I wanted you (Said that I wanted you)  
When I'm wasted, I love you too  
(I was pretty fucked up)  
I won't belong (Belong)  
Til' morning comes  
(I was pretty fucked up)

I can't help, I can't stop  
You should be careful,  
Innocent and your heart is pure unfaithful  
Curious, sweetest lips  
You try to change me like it's so easy

I'm a bad news baby  
You can hear me on the radio  
Bad news baby  
You gon' see me everywhere you go  
I'm a bad news baby, ohh  
I'm a bad news baby (Bad news baby)  
I'm a bad news baby  
You can hear me on the radio  
Bad news baby  
You gon' see me everywhere you go  
I'm a bad news baby, ohh  
I'm a bad news baby (Bad for you)

If you wanna go with me  
Know what you're risking honey  
If you wanna ride with me, yeah  
Know who you're kissing, honey

I'm a bad news baby  
You can hear me on the radio  
Bad news baby  
You gon' see me everywhere you go

I'm a bad news baby  
I'm a bad news baby

I'm a bad news baby

I'm a bad news baby  
You can hear me on the radio  
Bad news baby  
You gon' see me everywhere you go  
I'm a bad news baby, ohh
