

Fake Gucci

ALMA

It's hard to find good love
But your love is not hard
Harder, so hard I try for you
Yeah, they're tryna hit on you
I just need to pull this through
They're tryna come between me and you
You're so gorgeous

I don't have cash money, gold, diamonds
I don't have big house on an island
If you want some luxury, there is not much I can give
I don't have cash money, gold, diamonds
I don't have bank account with billions
If you want some luxury, there is not much I can give than
Fake Gucci and love
Fake Gucci and love
Fake Gucci and love
If you want some luxury, there is not much I can give than

I don't wanna play no games
Don't want any other way
You tell me a thousand times, I'm all yours
I feel out of my mind
I'm just afraid that I
Lose you like you're a rich guy, you're a rich guy

I don't have cash money, gold, diamonds
I don't have big house on an island
If you want some luxury, there is not much I can give
I don't have cash money, gold, diamonds
I don't have bank account with billions
If you want some luxury, there is not much I can give than
Fake Gucci and love
Fake Gucci and love
Fake Gucci and love
If you want some luxury, there is not much I can give than

I-I-I-I, I-I-I-I
Fake Gucci (fake Gucci)
I-I-I-I, I-I-I-I

I don't have cash money, gold, diamonds
I don't have big house on an island
If you want some luxury, there is not much I can give
I don't have cash money, gold, diamonds
I don't have bank account with billions
If you want some luxury, there is not much I can give than
Fake Gucci and love
