

Find Me

ALMA

Paranoia-noia from the sirens
Invisible concussion from the violence
But you know all the places where I'm hiding
So come on, find me

I told everybody just to fuck off
My agent, so-called friends and all the assholes
All they ever do is make it stressful
They do, they do, they do

We need 'em birds flying (birds flying, birds flying)
We need that sun shinin' (Sun shinin', sun shinin')
I think we're both dyin' (Both dyin')
I think we're both like

Ooh, paranoia-noia from the sirens
Invisible concussion from the violence
But you know all the places where I'm hiding
So come on, find me
Ooh, nobody, body gave me any last chance
I got to get away before the last dance
But you know all the places where I'm hiding
So come on, find me

Hundred missed calls on my cellphone (Cellphone)
I won't call them back 'cause they are unknown (Yeah)
All they have is questions, what do I know? (I don't, I don't)
I do, I do, I do

We need 'em birds flying (birds flying, birds flying)
We need that sun shinin' (Sun shinin', sun shinin')
I think we're both dyin' (Both dyin')
I think we're both like

Ooh, paranoia-noia from the sirens
Invincible concussion from the violence
But you know all the places where I'm hiding
So come on, find me

Ooh, nobody, body gave me any last chance
I got to get away before the last dance
But you know all the places where I'm hiding
So come on, find me

Ooh, hey
Hey
Hey
Come on, find me
Come on, find me

Ooh, hey
Hey
Hey
Come on, find me
Come on, find me

All we ever did was watch the birds fly

All we ever needed was the sunshine
But now we're just feeling like we both died
Come on, find me
