

Loser

ALMA

I go out, I get drunk
I make love with someone
I see teardrops in my dreams
Tryna fight everyone
It ain't right but it's fun
I hate them kings and queens

Ooh-ooh
I got trouble in my DNA
Ooh-ooh
I got chaos running through my veins

Baby, I'm a loser
Tell me I'm a loser
That's what I was born to be
Baby, I'm a loser
Tell me I'm a loser
If you wanna lose it with me

Baby, I'm a loser
Tell me I'm a loser
That's what I was born to be
Baby, I'm a loser
Tell me I'm a loser (ooh-ooh, yeah)
If you wanna lose it with me

I don't need a hero
Don't need a badman
Don't need a soldier
Don't need God's plan
Don't need a hero
Don't need you tryin'
Just come as you are
And let's start the riot

I'm the last to arrive
And the first one to leave
Like a nightmare on repeat
I get lonely, but really
I wanna be alone
My ex says I need therapy

Ooh-ooh
I got trouble in my DNA
Ooh-ooh
I got chaos running through my veins

Baby, I'm a loser
Tell me I'm a loser
That's what I was born to be
Baby, I'm a loser
Tell me I'm a loser
If you wanna lose it with me

Baby, I'm a loser
Tell me I'm a loser
That's what I was born to be

Baby, I'm a loser
Tell me I'm a loser
If you wanna lose it with me

I don't need a hero
Don't need a badman
Don't need a soldier
Don't need God's plan
Don't need a hero
Don't need you tryin'
Just come as you are
And let's start the riot

Lose it with me, yeah
Lose it with me, yeah

We can do what we want
Burn it down, fuck it up
Now, it's only you and me

Baby, I'm a loser
Tell me I'm a loser (tell me, yeah)
That's what I was born to be (loser)
Baby, I'm a loser
Tell me I'm a loser
If you wanna lose it with me

Baby, I'm a loser
Tell me I'm a loser (tell me I'm a-)
That's what I was born to be (yeah, yeah, yeah)
Baby, I'm a loser
Tell me I'm a loser (ooh-ooh, yeah)
If you wanna lose it with me (yeah-yeah)

I don't need a hero
Don't need a badman
Don't need a soldier
Don't need God's plan
Don't need a hero
Don't need you tryin'
Just come as you are
And let's start the riot
