

# Summer Really Hurt Us

ALMA

Kissed a lot of girls  
Even kissed a boy  
Must have been that sweet summer wine  
I wanted to be free  
Learning how to breathe  
But loneliness came time after time

How the hell did we keep dreaming?  
When I did you so wrong?  
All the memories still creeping in your head

I don't know why  
I don't know why  
You put your heart back on the line  
I don't know how  
I don't know how  
Ooh, this summer really hurt us, god damn  
(God damn)

Teardrops in your eyes  
When I told you lies  
Selfish when I broke us apart  
Saw everything in blue  
And said some things 'bout you  
But none of it was true my love

How the hell did we keep dreaming?  
When I did you so wrong?  
All the memories still creeping in your head

I don't know why  
I don't know why  
You put your heart back on the line  
I don't know how  
I don't know how  
Ooh, this summer really hurt us, god damn

I don't know why  
I don't know why  
You put your heart out every time (You put your heart out every time)  
I don't know how  
I don't know how  
Ooh, this summer really hurt us so bad, so bad 'cause

Lost it in June  
Fucked up in July  
Missed you in August oh  
Lost it in June  
Fucked up in July  
Missed you in August oh

This summer really hurt us  
I wanted to be perfect, god damn  
This summer really hurt us  
I wanted to be perfect so bad

I don't know why

I don't know why  
You put your heart back on the line  
I don't know how  
I don't know how  
Ooh, this summer really hurt us, god damn

I don't know why  
I don't know why  
You put your heart out every time (You put your heart out every time)  
I don't know how  
I don't know how  
Ooh, this summer really hurt us, god damn
