

## Summer

ALMA

We went to watch the waves and  
I wrote both our names in a heart on the pavement, yeah  
Yesterday was vibin', now we sit in silence  
Wanna see you smiling, yeah

You don't feel when I try, you don't see when I cry  
'Cause I'm broke and I hide it inside  
Everyone always goes, 'cause I won't let 'em close  
But I'm broken, I need you tonight

Don't leave before the summer, ooh  
I've got my heart to show ya, ooh  
You've never seen what's under my covers  
I know I've been a piece of shit lover

You told me that I'm crazy, always fucking faded  
Wanna change my ways, yeah  
Never been been the wife type, always 'bout that night life  
But I'm about to make it right

You don't feel when I try, you don't see when I cry  
But I don't wanna hide it inside  
Everyone always goes, 'cause I won't let 'em close  
But I promise I need you tonight

Don't leave before the summer, ooh  
I've got my heart to show ya, ooh  
You've never seen what's under my covers  
I know I've been a piece of shit lover

I won't lie to you  
It is what it is and it won't be a dream  
I won't lie to you  
It is what it is and it won't be a dream but

Don't leave before the summer, ooh (Don't leave before the summer)  
I've got my heart to show ya, ooh (I've got my heart to show you)  
You've never seen what's under my covers  
I know I've been a piece of shit lover (Piece of shit lover)
