

## When I Die

# ALMA

When I die, I hope everyone got two drinks in their hands  
When I die, I hope it looks like a movie from Japan  
When I die, when I... die  
I hope everyone gets on their feet and motherfuckin' dance

Die

When I die, I hope I spent a million from my advance  
When I die, I hope I gave you the best sex that you had  
When I die, when I... die  
I hope everyone gets on their feet and motherfuckin' dance

No need to miss me  
'Cause honey I made history  
Come on and kiss me  
And put me out of my  
Put me out of my misery

Dance, fuckin' dance  
Motherfuckin' dance  
Dance, fuckin' dance  
Motherfuckin'-

Don't you cry if I die too young from livin' like a star  
That I was, and I am, you know I love to go too far  
When I die, when I... die  
I hope everyone goes out that night, goes motherfuckin' hard

Final thoughts, final cause  
Niagara Falls off  
But baby don't we all  
(Goes motherfuckin' hard)  
Final thoughts, final cause  
Niagara Falls off  
But baby don't we all  
Ooh baby don't we all

No need to miss me  
'Cause honey I made history  
Come on and kiss me  
And put me out of my  
Put me out of my misery

No need to miss me  
'Cause honey I made history  
Come on and kiss me  
And put me out of my  
Put me out of my misery

Dance, fuckin' dance  
Motherfuckin' dance  
Dance, fuckin' dance  
Motherfuckin' dance  
Dance, fuckin' dance  
Motherfuckin' dance  
Dance, fuckin' dance  
Motherfuckin' dance
