

Days Of The New

Almah

Feeling
What you want to
New sensation, new vibration
You can't refuse!

Feeling
I've left old days
Breathe this new air
Keep the spirit lighting your ways!

Go ahead, don't let your dreams all behind
Kick all the fears and the threats you will find
Cast out your ghosts
Let the sun come in and shine

Days of the new - (you're retrieving)
All the good news - (you're restoring)
All your life - (you're returning)
To "the you" - (on your own)
I welcome my bloom - (I'm retrieving)
All the good news - (I'm restoring)
All my life - (and I'm heaving)
Over you - (all the scorn)

Screaming
Your demons unleashed
This is my life, no one is taking it from me

Coming up stairs, going beyond the skies
You'll feel the freedom just tearing the scars
Let it all out
Let the sun come in and shine

Days of the new - (you're retrieving)
All the good news - (you're restoring)
All your life - (you're returning)
To "the you" - (on your own)
I welcome my bloom - (I'm retrieving)
All the good news - (I'm restoring)
All my life - (and I'm heaving)
Over you - (all the scorn)

If somebody someday tells you what to do
You look in his eyes and tell him the truth
"you're just a piece of shit, you know I'm right!dope!"

Days of the new - (you're retrieving)
All the good news - (you're restoring)
All your life - (you're returning)
To "the you" - (on your own)
I welcome my bloom - (I'm retrieving)
All the good news - (I'm restoring)
All my life - (and I'm heaving)
Over you - (all the scorn)
