

## Moonlight Serenade

Almah

I stand at your gate.  
And the song that I sing is of moonlight.  
I stand and I wait  
For a touch of your hand in a June night.  
The roses are sign of moonlight serenade.

The stars are all a glow.  
And tonight how their light set me dreaming.  
My love, do you know  
That your eyes are like stars brightly beaming?  
I bring you, and I sing you a moonlight serenade.

Let us trace 'til break of day  
In love's valley of dreams.  
Just you and I, a summer sky,  
A heavenly breeze, kiss on a tree.

So don't let me wait.  
Come to me tenderly in a June night.  
I stand at your gate  
And I sing you a song in a moonlight.  
A love song, my darling, a moonlight serenade.
