

My Time

Almamegretta

Mind yu business
Mind yu business
Mind yu business renk, stenk

Come fi hi-jack and go teki
Where yuh allegiance deh ay?

Mind yu business
Mind yu business
No want to see mi do well - hell

Mi just a rise up
And a come through
Nuh bodda vex up yourself

Rollin rollin
A my time again
Nuh bodda look me up
Cause me no walk with frienemy
Rollin rollin
A my time again
Somebody have to loose
Di competition have to end

By the point who signs the end you're into the future

Rollin rollin
A my time again
Nuh bodda look me up
Cause me no walk with frienemy
Rollin rollin
A my time again
Somebody have to loose
Di competition have to end

Nuh bodda fi take my desire
Nuh bodda fi take all my dreams
There ain't nuh bodda who can shout off my fire
Mind your business and no one vex yourself

By the point who signs the end you're into the future

You're delivering passion and walk over
But you give satisfaction all around
Look me up
Nuh bodda look me up
