

can't slow down

almost monday

Let's just pretend this night won't end
The lights are flashing like the beat of your heart
I see a world in outer space
We spiral up, and now we're standing on the stars

To the moon, she's riding on a burning light
She doesn't worry if it's wrong or right
Don't stop, we're speeding our way through the night
I don't know if I'm gonna keep up

She said I can't slow down if I wanted to
Yeah, the speakers so loud, spinnin' around the room (Room)
And I don't know where I'm going, but I gotta move
She said, boy, boy are you coming too?

And no, she can't slow down if she wanted to
Yeah, the speakers so loud, spinnin' around the room (Room)
And I don't know where I'm going, but I gotta move
She said, boy, boy are you coming too? (Oh oh)

Breathe me in and let me see
Something further than my wildest dream
Fluorescent ocean inside your eyes
Watch me out and now we're floating with the tide

To the moon, she's riding on a burning light
She doesn't worry if it's wrong or right
Don't stop, we're speeding our way through the night
I don't know if I'm gonna keep up

She said I can't slow down if I wanted to
Yeah, the speakers so loud, spinnin' around the room (Room)
And I don't know where I'm going, but I gotta move
She said, boy, boy are you coming too?

And no, she can't slow down if she wanted to
Yeah, the speakers so loud, spinnin' around the room (Room)
And I don't know where I'm going, but I gotta move
She said, boy, boy are you coming too?

You got my heartbeat racing when you come around
Burning through the city I can hear the sound
You got my heartbeat racing when you come around
We're burning through the city, burning through the city

And we can't slow down if I wanted to
Yeah, the speakers so loud, spinnin' around the room (Room)
And I don't know where I'm going, but I gotta move
She said, boy, boy are you coming too? (Oh oh)
