hailey beebs

almost monday

Alone on a Saturday night
No life, I'm dying inside
I cannot feel it (I cannot feel it)
Roses up, getting me dry
You're there in the back of my mind, yeah
Velvet, I can feel it

High socks 'til your knees
Just like Hailey Beebs
You're the one I'm chasing
I don't care no more, I'll be at your door
Waiting to run to you, baby

I don't care, I don't care
I'm alive again, I'm alive again
I don't care, I don't care
I'm alive again
I'm alive when I'm with you, oh
I'm alive when I'm with you, oh
I'm alive when I'm with you

I wrote your name on the wall
Miss you, I can feel the withdrawal
You're something I believe in
Time melts into nothing at all
Push me 'cause I'm ready to fall
Shatter into pieces

High socks 'til your knees
Just like Hailey Beebs
I'm just waiting on you, baby

'Cause I don't care, I don't care
I'm alive again, I'm alive again
I don't care, I don't care
I'm alive again
I'm alive when I'm with you, oh
I'm alive when I'm with you, oh

Woah-oh-oh, woah-oh-oh
Don't know why you keep me waiting
Don't know why you keep me waiting
Woah-oh-oh, woah-oh-oh
Don't know why you keep me waiting
Don't know why you keep me waiting
Woah-oh-oh, woah-oh-oh

I'm alive when I'm with you, oh (Woah-oh-oh, woah-oh-oh)
I'm alive when I'm with you (Don't know why you keep me waiting)
