

jupiter

almost monday

Don't you wanna talk about it?
Yeah, I know you're scared, but it's what we do
And we run so far they can't define it
Let me open up that world for you

Yeah, I know, yeah, I know, it's written on your face
Gettin' lost, forgettin' time and space

Ooh, la-la-la-la-la
Rendezvous on Jupiter
Ooh, la-la-la-la-la
And we just can't get enough
Ooh, la-la-la-la-la
Only just the two of us
Ooh, la-la-la-la-la
And we just can't get enough

I know we got that cosmic vision
Like a rocket ship we're blasting through
And I'm loving every second with you
Sittin' high up, we enjoy the view

Yeah, I know, yeah, I know, it's written on your face
Gettin' lost, forgettin' time and space

Ooh, la-la-la-la-la
Rendezvous on Jupiter
Ooh, la-la-la-la-la
And we just can't get enough
Ooh, la-la-la-la-la
Only just the two of us
Ooh, la-la-la-la-la
And we just can't get enough

Just can't get enough
Just can't get enough
(Just can't get enough)
(Just can't get enough)
(Just can't get enough)
(Just can't get enough)

Ooh, la-la-la-la-la
Rendezvous on Jupiter
Ooh, la-la-la-la-la
Ooh, la-la-la-la-la
Only just the two of us
Ooh, la-la-la-la-la
And we just can't get enough
Just can't get enough
Just can't get enough
