

# Believe

Aloe Blacc

They said it can't be done  
That this one's a challenge you won't overcome  
I know your dreams are bold  
Keep going, you'll find that you're not on your own

So don't give up  
And don't give in

You've gotta believe, believe, believe  
That anything is possible  
You've gotta believe, believe, believe  
That anything is possible  
You've gotta keep on and see it through  
No matter how hard that is to do  
You've gotta believe to find the fire  
That's inside you  
You've gotta believe

So here we are  
With billions of prayers out there floating like stars  
I know it seems hard  
Just hold onto hope 'cause you've made it this far  
Soon, you'll be out of the dark

So don't give up  
(Don't ever give up  
Don't ever, ever give up)  
And don't give in

You've gotta believe, believe, believe  
That anything is possible  
You've gotta believe, believe, believe  
That anything is possible  
You've gotta keep on and see it through  
No matter how hard that is to do  
You've gotta believe to find the fire  
That's inside you  
You've gotta believe

You've gotta keep on and see it through  
No matter how hard that is to do  
You've gotta believe to find the fire  
That's inside you  
You've gotta believe
