

Crazy

Aloe Blacc

(I know it's crazy)
Yeah, I see you all the time
(I know it's crazy)
Yeah, you're always on my mind
(I know it's crazy)
I don't know what I'm gonna do
Gotta find a way to talk to you
(I know it's crazy)

She's a queen, baddest that I've ever seen
Like a dream or something out a movie scene
Slow motion when she walk into the coffee shop
Even the other women stop and they ego drop
Like who is she, who she with, where she come from
Is she a lawyer, she a model, she's a someone
I done seen her every morning for the past year
And every evening ever since I been the cashier
She look amazing every time no matter what she wear
Business suit, sweat suit, I don't even care
I like the way she doing different things with her hair
I be looking but I swear I'm not trying to stare
Sometimes I wonder if she notice me
Want her to come and talk to me like I was Jodeci
Should I hit her with some game like in the old school
Nah today Imma just play it cool (I know it's crazy)
I know it's crazy

Yeah, I see you all the time
(I know it's crazy)
Yeah, you're always on my mind
(I know it's crazy)
I don't know what I'm gonna do
Gotta find a way to talk to you
(I know it's crazy)
Yeah, I see you all the time
(I know it's crazy)
Yeah, you're always on my mind
(I know it's crazy)
I don't know what I'm gonna do
Gotta find a way to talk to you
(I know it's crazy)

You don't even have to ask
I know exactly what you want
A double cappuccino, French press with a croissant
Black card on the counter but you never have to flaunt
Feelings brewing up inside but I'm acting nonchalant
Trying to figure how to tell you what's up
I already know your name because I write it on your cup
Doctors, lawyers, bankers, ballers
All trying to get at you, all trying to holler
But they don't have what you're looking for
You done got your own money, you need something more
Been through it all before like a revolving door
Gotta find a way to show you that my heart is pure
My name is so and so I see you here all the time
Don't want to disrespect you with a cheesy pickup line

But I finish my shift at a quarter to nine
And I'd like to see you later if you're so inclined
I know it's crazy

Yeah, I see you all the time
(I know it's crazy)
Yeah, you're always on my mind
(I know it's crazy)
I don't know what I'm gonna do
Gotta find a way to talk to you
(I know it's crazy)
Yeah, I see you all the time
(I know it's crazy)
Yeah, you're always on my mind
(I know it's crazy)
I don't know what I'm gonna do
Gotta find a way to talk to you
(I know it's crazy)
