

Getting Started (Hobbs & Shaw)

Aloe Blacc

This ain't for the money, this is for the love
This is sweatin' through my shirt before the sun's up
Thought that I was shook, thought that I would stop
And now I got 'em waitin' for the other shoe to drop
Ooh, I'm a flame burning bold in a world that's so cold

I'm just gettin' started, I been makin' moves before the dawn
Cuttin' through the darkness, pray nobody say I don't belong
I'll be the first shot heard, then you run for cover
Take my world, ain't no water
Now I'm just gettin' started
And I can go on, and on, and on, and on, and on

Ima drink from a winner cup, mixin' hard work with beginner's luck
If I fall first then lift me up, never call curtains, common courtesy
Curiosity it killed the kid but he got to work for me
Inadvertently I manifested something great but it's still to determine the fate
Ima turn the tables, from the cradle to the grave, heavyweight leg day, steady pray
Heavy head, wear his crown way down every day
Here now, make a way, clear foul, lane change
Breakin' out the crazy house or whatever them people was sayin' 'bout me
Hit the leverage you not on my level, the engine is revvin'
I'm ready, I'm ready I swear you gon' care about me

I'm just gettin' started, I been makin' moves before the dawn
Cuttin' through the darkness, pray nobody say I don't belong
I'll be the first shot heard, then you run for cover
Take my world, ain't no water
Now I'm just gettin' started
And I can go on, and on, and on, and on, and on

I can see the future, it ain't no mystery
I'm on the throne, lookin' down, makin' history
While you was smellin' roses I was puttin' work in

I'm just gettin' started, I been makin' moves before the dawn
Cuttin' through the darkness, pray nobody say I don't belong
I'll be the first shot heard, then you run for cover
Take my world, ain't no water
Now I'm just gettin' started
And I can go on, and on, and on, and on, and on
