

I Do

Aloe Blacc

Thought I was good, I was good on my own, I was alright
Thought I was grown and the strangers I known, they were alright
Thought that I knew everything, never wrong, I was alright
Oh, I was good, I was good on my own, I was alright

Oh, I lived a whole life
Thinking I knew how my
Heart could handle love
A love I thought I knew
Everything before us
Was stretching out my heart
Just so it could be big enough to beat for two

Never understood why
People always say "Love chooses you"
Now I do
Now I do
Didn't ever think that
I could ever say "I promise you"
And now I do
Now I do
Now I do

This is the road, we can see where it goes together
You are my home and I know I can stay forever

Oh, I lived a whole life

Thinking I knew how my
Heart could handle love
A love I thought I knew
Everything before us
Was stretching out my heart
Just so it could be big enough to beat for two

Never understood why
People always say "Love chooses you"
Now I do
Now I do
Didn't ever think that
I could ever say "I promise you"
And now I do
Now I do
Now I do

I do
Now I do
I do

Used to be a time when I thought that I had nothing to lose
But now I do
Now I do

Never understood why
People always say "Love chooses you"
Now I do (Now I do)
Now I do (Now I do)

Didn't ever think that
I could ever say "I promise you"
And now I do
Now I do

Now I do
I do
Now I do
I do
