

Make Way

Aloe Blacc

Legendary

Woah-oh, woah-oh, woah-oh, woah-oh-oh-oh

Legendary

Woah-oh, woah-oh, woah-oh, woah-oh-oh-oh, yeah

Steady on my grind and got no time for playing games

Money on my mind, I'm kicking as I'm taking names

The heat is on, get out the kitchen if you can't handle the flames

I'm hustling, I was born to win, ain't never gonna change

Let me tell you now, I don't know how

But the whole world's gonna know my name

Just wait and see, they gon' talk about me

Things ain't never gon' be the same

Are you ready? Are you ready?

Better make way 'cause I'm coming through

Are you ready? Are you ready?

Better make way 'cause I'm coming through

Make way, make way

Woah-oh, woah-oh, woah-oh, woah-oh-oh-oh

Make way 'cause I'm coming through

Make way, make way

Woah-oh, woah-oh, woah-oh, woah-oh-oh-oh

Make way 'cause I'm coming through

Believe you me, ain't gonna be no standing in my way

I got the skills to pay the bills, stay busy earning my pay

Yeah, what I do, keep pushing through, every day, all day

Come stay it to my face if you got something to say

Just wait and see, they gon' talk about me

Things ain't never gon' be the same

I'm gonna be very legendary

And the whole world's gonna know my name

Are you ready? Are you ready?

Better make way 'cause I'm coming through

Are you ready? Are you ready?

Better make way 'cause I'm coming through

Legendary, oh, yeah, legendary, oh

Woah-oh, woah-oh, woah-oh, woah-oh-oh-oh

Legendary

Woah-oh, woah-oh, woah-oh, woah-oh-oh-oh

Make way 'cause I'm coming through

Just wait and see, wait and see, they gon' talk about me

Just wait and see, wait and see, they gon' talk about me

Just wait and see, wait and see, they gon' talk about me

I'm gonna be very legendary

Make way for me, make way for me

You know I'm gonna be legendary

Make way for me, make way for me

You know I'm gonna be legendary

Are you ready? Make way for me, make way for me, legendary

Better make way 'cause I'm coming through

Are you ready? Are you ready? Make way for me, make way for me, legendary
You know I'm gonna be legendary
